The city currently owns land down by the softball field that the park board utilizes, and the park board owns two parcels behind City Hall that the city utilizes. They are approximately the same size, maybe 600 square feet difference.

Dockter would like permission to go to the Park Board meeting on Wednesday, November 9th, to propose a trade for these areas. The city would pay for the survey and platting of the properties.

Thomas motioned to allow Dockter to propose this trade to the Park Board at their meeting.

Hapip seconded. Upon roll call, all members present voted aye. Motion carried.

Thomas adjourned the meeting at 11:10 AM.
