WHY WASHBURN

Washburn is a safe town that embraces its history while creating the future in agriculture and in the energy industry. Residents still believe that hard work and values matter, that there is always time to take care of each other and enjoy nature's beauty together. Nestled on the Missouri River and on US Highway 83, Washburn is a place you can surround yourself with nature while having easy access to Bismarck and Minot. Home to over a hundred businesses, there is no need to travel long distances for your daily needs or a place to work.

Washburn is a town where you can let your kids play together at the public swimming pool, while you're grilling in the back yard or out along the beautiful Missouri River. Whether you are looking to relocate your family or business, Washburn is a place you want to call home.
